The fifth annual Dallas Kips Bay Decorator Show House has revealed the 25 talented designers and architects who will showcase their work at a stunning two-acre estate.

Located at 2999 Turtle Creek Boulevard for the 2024 season, the show house is part of the nation's biggest design event and is a major fundraiser for Kips Bay Boys & Girls Club, as well as local Dallas charities Dwell with Dignity and The Crystal Charity Ball. Designs will be on display for three weeks, beginning Friday, October 25.

“Each of our twenty-five designers were hand selected for their distinctive flair and creativity, and we look forward to unveiling their creations at this year’s iconic Dallas location,” said Daniel Quintero, the Executive Director of the Kips Bay Boys & Girls Club, in a press release. “We are pleased to be back in Dallas for our fifth year, and we are excited to welcome the local community and design aficionados from around the world to experience the Show House and contribute to such an important cause.”

This year’s event is in partnership with design-led real estate developer and asset manager HN Capital Partners to bring the designs to life in the affluent Turtle Creek Boulevard property.

“Historically, the Kips Bay Decorator Show House is where the design community comes together to showcase the best and brightest new ideas in high design homes,” explained Vipin Nambiar, Founder and Managing Partner of HN Capital Partners. “We believe that 2999 Turtle Creek is an iconic structure, which will provide a fitting canvas for the best American designers to bring their most inspired ideas to life. We are also passionate about infusing excellence in design sensibility into the development work being undertaken in Dallas, and these exhibitions and the great collaborators in the Dallas Design District, are making this happen everyday. We look forward to welcoming the Kips Bay Show House design participants and the Dallas community to the property.”
