For its fifth year in Dallas, the [Kips Bay Decorator Show House](#) has announced a spectacular lineup of twenty-five celebrated designers and architects who will use their talent and design expertise to completely transform the 2-acre estate at 2999 Turtle Creek Boulevard. Open to the public for three weeks beginning Friday, October 25th, the Show House doubles as the nation's leading design event of the year and a major fundraiser for Kips Bay Boys & Girls Club, as well as local Dallas charities Dwell with Dignity and The Crystal Charity Ball.

"Each of our twenty-five designers were hand selected for their distinctive flair and creativity, and we look forward to unveiling their creations at this year's iconic Dallas location," said Daniel Quintero, the Executive Director of the Kips Bay Boys & Girls Club. "We are pleased to be back in Dallas for our fifth year, and we are excited to welcome the local community and design aficionados from around the world to experience the Show House and contribute to such an important cause."

For this year's Show House, the Kips Bay Boys & Girls Club has partnered with design-led real estate developer and asset manager HN Capital Partners to locate the right property for the Show House.

"Historically, the Kips Bay Decorator Show House is where the design community comes together to showcase the best and brightest new ideas in high design homes," said Vipin Nambiar, Founder and Managing Partner of HN Capital Partners. "We believe that 2999 Turtle Creek is an iconic structure, which will provide a fitting canvas for the best American designers to bring their most inspired ideas to life. We are also passionate about infusing excellence in design sensibility into the development work being undertaken in Dallas, and these exhibitions and the great collaborators in the Dallas Design District, are making this happen everyday. We look forward to welcoming the Kips Bay Show House design participants and the Dallas community to the property."
